## Jinx Song

### WE WILL MISS YOU

We will miss you when the summer is gone:  
To be with you when the summer is gone  
When we think of the vows that we've made,  
Will the love that you've promised remain?  
When the swallows fly away to the south  
And the trees are white with snow,  
Just remember, we'll be longing for you  
When the good old summer is gone.
