GANGWAY

WE WILL MISS YOU

You're Welcome to Sylvan Beach Jinks

You're welcome to Sylvan Beach Jinks
We hope you don't mind a few kinks
Our mothers and fathers who used to perform
Are now on the sidelines observing
We're taking our part in the show
To please all who wanted to go
Our Dancinf and singing, we hope you approve
Alright boys the shows on the move!

Gangway

Gangway, for the Sylvan Beach Gang, they
Hang together
and each one's tough as tannery leather
Pirates, bigger, badder, and bolder,
Standing shoulder to shoulder
nothing gets sadder or older
Salute en guard, fight fast and hard
We're battle scarred, there's no retarding
Free, bright, under 21
We don't stop for anyone
Gangway for the Sylvan Beach Gang!

You've Got a Friend in Me - Toy Story

You've got a friend in me
You've got a friend in me
When the wave looks rough ahead
And you're miles and miles from the nice warm
sand
You just remember what your old chief said
Bud you've got a friend in me
Yeah you've got a friend in me

You've got a friend in me
You've got a friend in me
You got troubles and I got 'em too
There isn't anything I wouldn't do for you
We stick together, we can see it through
'Cause you've got a friend in me
You've got a friend in me

Some other folks might be a little bit smarter
than I am
and better swimmers too
Maybe
But none of them
Will ever love you the way I do
It's me and you bud

And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

6-8 Girls - I'm On My Way

Tell everybody I'm on my way
New friends and new places to see
With blue skies ahead yes
I'm on my way
And there's nowhere else
that I'd rather be

Tell everybody I'm on my way
And I'm loving every step I take
With the sun beating down yes
I'm on my way
And I can't keep this smile off my face

'Cause there's nothing like seeing
each other again
No matter what the distance between
And the stories that we tell
will make you smile
Oh it really lifts my heart

So tell 'em all I'm on my way
New friends and new places to see
And to sleep under the stars
Who could ask for more
With the moon keeping watch over me

Not the snow, not the rain
Can change my mind
The sun will come out, wait and see
And the feeling of the wind in your face
Can lift your heart
Oh there's nowhere I would rather be

'Cause I'm on my way now-
well and truly
I'm on my way now
I'm on my way now

6-8 Boys - Im Gonna Be

When I wake up, well, I know I'm gonna be
I'm gonna be the man who wakes up next to you
When I go out, yeah, I know I'm gonna be
I'm gonna be the man who goes to sail with you
If I get sunk, well, I know I'm gonna be
I'm gonna be the man who gets sunk next to you
And if I save us, hey, I know I'm gonna be
I'm gonna be the man who's saving me and you
CHORUS

But I would swim five hundred miles
And I would swim five hundred more
Just to be the man who swam a thousand miles
To end up at your shore

When I'm working, yes, I know I'm gonna be
I'm gonna be the man who's working hard for you
And when the money comes in for the work I do
I'll pass almost every penny on to you
When I come home (When I come home), oh, I
know I'm gonna be
I'm gonna be the man who comes back home to
you
And if I grow old, well, I know I'm gonna be
I'm gonna be the man who's growing old with you

CHORUS

Da lat da (Da lat da), da lat da (Da lat da)
Da-da-da dun-diddle un-diddle un-diddle uh da-da
Da lat da (Da lat da), da lat da (Da lat da)
Da-da-da dun-diddle un-diddle un-diddle uh da-da

When I'm lonely, well, I know I'm gonna be
I'm gonna be the man who's lonely without you
And when I'm dreaming, well, I know I'm gonna
dream
I'm gonna dream about the time when I'm with you
When I go out (When I go out), well, I know I'm
gonna be
I'm gonna be the man who goes along with you
And when I come home (When I come home), yes,
I know I'm gonna be
I'm gonna be the man who comes back home with
you
I'm gonna be the man who's coming home with
you

CHORUS

9-12 Girls - 9-5

Tumble out of bed
And Stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life
Jump in the shower
And the blood starts pumpin'
Out on the beach
The waves start jumpin'
For folks like me on the boat from 9 to 5

CHORUS

Sailin' 9 to 5
What a way to cast away'
Barely sailin' by
It's all tacking'
And no jibing'
You just use your mind
And just sail to Indian bay
It's enough to spend the
day if you let it

9 to 5, for sailing and surfing
You would think that I
Would deserve a fat ice cream cone
Want to sail ahead
But the wind won't seem to let me
I swear sometimes that breeze is out to get me
Mmmmm...
They let me dream
Just a' watch 'em turtle
You're just a gust
away from flippin' over
But you got dreams they'll never take away
In the same boat
With a lot of your friends
Waitin' for the day
Your ship'll come in
And the tide's gonna turn
An' it's all gonna roll you away

CHORUS

9 to 5, yeah, we got you where we want you
There's no better life
just you think about it don't you
It's a mermaids game
No matter what they call it
And we spend our lives
Tanning all day in this sun

CHORUS

9-12 Boys - Jailhouse Rock

The Goss' threw a party in their boat house
The Oatbrand boys were there and they
began to wail

The band was jumpin' and the joint began to
swing

You should've heard them hyped up
beachbums sing

Let's sail, everybody, let's sail

Everybody in the whole boat dock

Was dancin' to the Boat house Rock

Tommy Foster played the tenor saxophone

Buddy Popp was strummin' on his bass
guitar

The drummer boy from Illinois went crash,
boom, bang

The whole rhythm section was the Sylvan
Beach Gang

Let's sail, everybody, let's sail

Everybody in the whole boat dock

Was dancin' to the Boat house Rock

Number forty-seven said to number **three**

You're the cutest beachbum I ever did see

I sure would be delighted with your company

Come on and do the Boathouse Rock with me

Let's sail, everybody, let's sail

Everybody in the whole boat dock

Was dancin' to the boat house Rock

Sad sack was sittin' on a white lake dock

Way over in the water laughin' with his friends

The Goss' said, hey, buddy, hope you're
having fun

If you can't find a chair use a wooden log

Let's sail, everybody, let's sail

Everybody in the whole boat dock

Was dancin' to the Boat house Rock

Shifty Henry said to Bugs, for heaven's sake

No one's lookin', now's our chance to skinny
dip

Bugsy turned to Shifty and he said, nix nix

I want to stick around a while and get my
kicks

Let's sail, everybody, let's sail

Everybody in the whole boat dock

Was dancin' to the Boat house Rock

13-15 Boys - Fresh Prince of Bel Air

Now, this is a story all about how
My life got flipped-turned upside down

And I'd like to take a minute

Just sit right there

I'll tell you how I became the Chief of a town called
White Lake

In west Wisconsin born and raised

On the playground was where I spent most of my
days

Chillin' out maxin' relaxin' all cool

And all shootin some b-ball outside of the school

When a couple of guys who were up to no good

Started making trouble in my neighborhood

I got in one little fight and my mom got scared

She said 'You're movin' with your auntie and uncle
in White Lake'

I begged and pleaded with her day after day

But she packed my suit case and sent me on my
way

She gave me a kiss and then she gave me my ticket.

I put my swimshorts on and said, 'I might as well
swim it.'

First day, yo this is bad

Drinking La Croix out of a metal can.

Is this what the people of White Lake living like?

Hmmmm this might be alright.

But wait I hear they're sandy, funny, all that

Is this the type of place that they just send this cool
cat?

I don't think so

I'll see when I get there

I hope they're prepared for the Chief of White Lake

Well, the boat landed and when I came out

There was a dude in floral swim trunks standing
there with my name out

I ain't trying to get sun burnt yet

I just got here

I sprang with the quickness like lightning,
disappeared

I whistled for a cab and when it came near

The license plate said lake and with mermaids on
the mirror

If anything I could say that this cab was rare

But I thought 'Nah, forget it' - 'Yo, home to White
lake'

I pulled up to the cottage about 7 or 8

And I yelled to the cabbie 'Yo homie see ya later'

I looked at my beach

I was finally here

To sit on my throne as the Chief of White Lake

13-15 Girls - Flashlight

When tomorrow comes, I'll be on my own
Going back to the place I call home
When tomorrow comes, when tomorrow comes
When tomorrow comes, when tomorrow comes
And though the road is long
I look up to the sky
Cloudy all around
I hope that I could fly
Then I sing along, then I sing along
Then I sing along, then I sing along

I got all I need when I got Sylvan Beach
Cause I look around me and see a sweet life
I'm stuck in the lake but you're my flashlight
You're gettin' me, gettin' me through the night
You kickstart my heart when you're shinin' in my eyes

I can't lie, it's a sweet life
I'm stuck in the dark but you're my flashlight
You're gettin' me through the night
You're gettin' me through the night
Cause you're my flashlight, cause you're my flashlight
You're my flashlight, cause you're my flashlight
You're my flashlight
You're gettin' me through the night

I got all I need when I got Sylvan Beach
Cause I look around me and see a sweet life
I'm stuck in the lake but you're my flashlight
You're gettin' me through the night (We belong)
You kickstart my heart when you're shinin' in my eyes

I can't lie, it's a sweet life
I'm stuck in the lake but you're my flashlight
You're getting me through the night (We belong)
Cause you're my flashlight, cause you are
Cause you're my flashlight, cause you're my flashlight
You're my flashlight
You're gettin' me through the night
Oh, cause you're my flashlight, cause you're my
Gettin' me through the night

13-15 Girls & Boys - Don't You Forget About Me

Hey, hey, hey ,hey Ohhh...

Won't you come see about me?
I'll be alone, dancing you know it baby

Tell me your troubles and doubts
Giving me everything inside and out and
Love's strange so real in the dark
Think of the tender things that we were working on

Slow change may pull us apart
When the light gets into your heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

Will you stand above me?
Look my way, never love me
Waves keep rolling, waves keep rolling
Down, down, down

Will you recognise me?
Call my name or sail on by
Waves keep rolling, waves keep rolling
Down, down, down, down

Hey, hey, hey, heyOhhhh.....

Don't you try to pretend
It's my feeling we'll win in the end
I won't harm you or touch your defenses
Vanity and security

Don't you forget about me
I'll be alone, dancing you know it baby
Going to take you apart
I'll put us back together at heart, baby

Don't You Forget About Me
Don't Don't Don't Don't
Don't You Forget About Me

As you sail on by
Will you call my name?
As you sail on by
Will you call my name?
When you sail away

Or will you tube away?
Will you tube on by?
Come on - call my name
Will you call my name?

I say : La la la...
When you sail on by...
And you call my name...

We Will Miss You

We will miss you
When the summer is gone
To be with you
When the summer is gone
When we think of the vows that we made
Will the love that we promised remain
When the swallows fly away to the south
And the trees are white with snow
Just remember I'll be longing for you

When the good old summer is gone
